

COURSE NAME	ONLINE LIVE	ONLINE RECORDED	INSTRUCTOR
Family Law and the Income Tax Act - filmed in 2017		Available Now	Andrew Feldstein, LL.B

THIS COURSE WAS FILMED IN 2017

This course explores how various sections of the Income Tax Act are engaged upon the breakdown of a marriage or relationship, and often, for a significant period of time afterward. This course will include discussions related to planning the income tax consequences of a separation, both during the separation, and post-divorce. A survey of topics to be covered include:

- Spousal Support
- Child Support
- Common law spouses and same-sex couples
- Legal and accounting costs
- Principal residences
- RRSPs
- Tax liabilities
- Tax planning considerations
