Compilation Engagements: Adopting CSRS 4200 - Are You Ready? 2021	Oct 28, 2021 2:00PM ET	Available Now	Marcus Guenther MBA, CPA, CA

Session Objective.

The objective of session is to provide practitioners with a brief overview of the new compilation standard, CSRS 4200 and how to apply it for financial periods ending on or after December 15, 2021.

The standard represents a significant change from the existing s. 9200 compilation standard. Implementing the standard will require planning to ensure a smooth transition for both firms and clients.

The session will provide participants with:

1. Brief overview of key CSRS 4200 requirements
2. Implementation for December 31, 2021, year-ends
 - a. New PEG forms
 - b. Communications to clients
 - c. Impact on fees
 - d. Defining the basis of accounting
 - e. Representations from management
 - f. Reporting
3. Q&A
