CAS 315 PEG Forms Update	Jan 19, 2023 2:00PM ET	Available Now	Marcus Guenther MBA, CPA, CA

CPA Canada surprised everyone with some changes in December 2022 to the key PEG forms revised for CAS 315 that were released in April 2022.

This one hour course will focus on the changes to the previously issued forms, as well reviewing Key Forms 511, 535, 550 and 551 and the risks that arise from the use of IT.

We recommend that you take the "Performing Small Audits with revised CAS 315 and PEG forms" before taking this course.
